# Find The Best Technology For Your Car Dealership to Increase Sales

**Infinite Prospects** is an authorized reseller for the best car dealership web-based tools that exist. We have the expertise to find you the software platforms that drive results and implement them properly. Some of our top partners include:

**InstaQuote**

The fastest way to drive automobile sales and create satisfied customers before they even hit the showroom! InstaQuote is an automated vehicle pricing tool that answers every new and used car lead, 24/7! InstaQuote gives your dealership the power to respond to and quote leads sent from your manufacturer, third-party lead providers, and your website in seconds!

**Inteli-Post+**

Inteli-Post+ automatically generates Craigslist posts, by vehicle, for your pre-owned inventory. You can track every post, every ad view, every phone call and every email lead! Includes ADAM, a web-based inventory management and reporting tool, and exports your inventory to other online free and premium auto classified sites like Vast, AOL Autos, LemonFree and others.

**cargigi**  
Social Media

Tie your inventory to the Social Web on Facebook and YouTube. We place a constantly updating inventory tab on your dealership's Facebook Fan Page. We also create and upload a custom video for every pre-owned vehicle in your inventory. Includes full maintenance of all YouTube activity, automatically removing sold vehicle videos and providing activity statistics concerning all active videos. When combined with Inteli-Post+, Cargigi Social Media will also drive every Craigslist ad viewer to view the same vehicle on your Facebook Fan Page.

**AUTOe**  
Dealers

Enhance your dealership website by capturing online leads with our patented **Site Driver** popup coupon, re-capturing lost website visitors with our **Site Rebound** pop-under window, adding a **Video Spokesmodel** for a personal introduction, and offering a consumer-friendly **Video Credit Application**. Get more leads and traffic TODAY!
